### History of Program

The Adopt-A-Street Program began as a Keep Texas Beautiful initiative. Longview is a Proud Community partner in Keep Texas Beautiful and like all cities, has experienced a problem with litter control. The Adopt-A-Street program allows groups and individuals to "adopt" a street or a portion of a street on which to pick up litter and keep clean of debris.

The Longview community traditionally supports the twice yearly litter drives sponsored by the Keep Texas Beautiful organization and TXDOT. Adopt-A-Street participants and many other individuals band together on these occasions to remove litter, trash, and debris from our roadsides. One of these events has come to be known as The Great Texas Trash-Off, and Longview citizens have responded overwhelmingly to the statewide challenge.
